BURTON PUBLIC LIBRARY
GEAUGA COUNTY, OHIO
Notes to the Financial Statements
For the Years Ending December 31, 2022

Note 1 – Reporting Entity

The Burton Public Library (the Library), Geauga County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. Berkshire Board of Education appoints a seven-member Board of Trustees to govern the Library. The Library provides the community with various educational and literary resources.

Joint Ventures, Jointly Governed Organizations, Public Entity Risk Pools and Related Organizations

The Library participates in two public entity risk pools. Note 6 to the financial statements provides additional information for these entities.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all special revenue fund types which are organized on a fund type basis.

Fund Accounting

The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund: The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds: These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Library had the following significant Special Revenue Funds:

All Special Revenue Funds (June Macek Fund, Luxenberg Family Reading Garden Fund, Joseph Durket Launch-A-Young Reader Fund, Pfouts Memorial Fund) are less than 20 percent of combined special revenue disbursements and are not deemed significant by the Library.

Debt Service Funds: These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. The Debt Service Fund is inactive at this time.

Capital Project Funds The capital project fund accounts for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library had the following significant capital project funds:

Capital Improvements Fund: Building and Repair – Transfers from the General Fund are restricted for improvements to the 138-year-old building or future additions to the building.

BURTON PUBLIC LIBRARY
GEAUGA COUNTY, OHIO
Notes to the Financial Statements
For the Years Ending December 31, 2022

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Board recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, and object level of control.

A summary of 2022 budgetary activity appears in Note 3.

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The deposits and investments for 2022 were checking and saving accounts with Middlefield Banking Company and investment in STAR Ohio. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides a NAV per share that approximates fair value.

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Leases

The Library is the lessor/lessee in one lease for the building (as defined by GASB 87) under noncancelable leases. Lease revenue/disbursements are recognized when they are received/paid.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable: The Library classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, non-spendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Library and the non-spendable portion of the corpus in permanent funds.

Restricted: Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

BURTON PUBLIC LIBRARY
 GEauga COUNTY, OHIO
 Notes to the Financial Statements
 For the Years Ending December 31, 2022

Committed: The Board of Trustees can *commit* amounts via formal action (resolution). The Library must adhere to these commitments unless the Board amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Assigned: Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned: Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

Note 5 – Grants in Aid and Taxes

Grants in Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year.

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Other Governments' Grants In Aid. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the taxing district.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 – Risk Management

The Library belongs to the Ohio Plan Risk Management, Inc. (OPRM) (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss. Effective November 1, 2017, the OPRM retained 47% of the premium and losses on the first \$250,000 casualty treaty and 30% of the first \$1,000,000 property treaty. The OPRM is also participated in a property primary excess of loss treaty. This treaty reimbursed the OPRM 30% for losses between \$200,000 and \$1,000,000. The reimbursement is based on the amount of loss between \$200,000 and \$1,000,000. Effective November 1, 2018, the OPRM the property retention remained unchanged, however, the Plan assumed 100% of the first \$250,000 casualty treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. Effective November 1, 2019, the OPRM's property retention increased from 30% to 33%, while the casualty treaty remains unchanged and still assumes 100% of the first \$250,000 casualty treaty. Effective November 1, 2020, the OPRM's property retention increased from 33% to 55%, while the casualty treaty remains unchanged and still assumes 100% of the first \$250,000 casualty treaty. OPRM had 771 members as of December 31, 2020.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and equity at December 31, 2020.

Assets	\$ 18,826,974
Liabilities	(\$ 13,530,267)
Members' Equity	<u>\$ 5,296,707</u>

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Health Insurance

The Library has contracted with the Stark County Schools Council of Governments Health Insurance Consortium to provide employee medical/dental/vision benefits. The Stark County Schools Council's Health Benefits Program is a shared risk pool comprised of approximately 166 entities, a combination of school districts, libraries and municipalities. Rates are set through an annual calculation process. The Library pays a monthly contribution which is paid in a common fund from which claim payments are made for all participants regardless of claims flow. The Board of Directors has the right to return monies to an existing entity subsequent to the settlements of all expenses and claims. The Library paid 90 percent of the premium for single coverage per employee per month for full time employees working 30-40 hours per week, if elected. Family coverage is available for full time staff, the Library pays 50 percent of the premium. Life insurance is provided by the Library for all staff except Pages (shelving staff).

Note 7 - Defined Benefit Pension Plans

Ohio Public Employees Retirement System

The Library's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries and the Library contributed an amount equaling 14% of participants' gross salaries. The Library has paid all contributions required through December 31, 2022.

Deferred Compensation

Employees may elect to participate in Deferred Compensation through payroll deduction.

Note 8 - Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan, which includes multiple health care plans including medical coverage, prescription drug coverage, and deposits to a Health Reimbursement Arrangement and Medicare Part B premium reimbursements, to qualifying benefit recipients. The portion of employer contributions allocated to health care for members in the traditional pension plan and combined plan was zero percent during calendar year 2022. The portion of employer contributions allocated to health care for members in the member-directed plan was 4.0 percent during calendar year 2022.

Effective January 1, 2022, OPERS discontinued the group plans currently offered to non-Medicare retirees and re-employed retirees. Instead, eligible non-Medicare retirees will select an individual medical plan. OPERS will provide a subsidy or allowance via an HRA allowance to those retirees who meet health care eligibility requirements. Retirees will be able to seek reimbursement for plan premiums and other qualified medical expenses.

Note 9 – Debt

The Library did not have any outstanding loans as of December 31, 2022.

Note 10 – Fund Balances

There are no funds that the Library cannot spend. That is: there are zero unclaimed monies that must not be spent for five years. There are no Proprietary Funds or Fiduciary Funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

Fund Balances	General	Special Revenue	Debt Service	Capital Projects	Permanent	Total
Nonspendable:						
Unclaimed Monies						\$0
Corpus						0
Outstanding Encumbrances	29,502					\$29,502
Total	\$29,502	\$0	\$0	\$0	\$0	\$29,502

The fund balance of special revenue funds is either restricted or committed. The fund balance of debt service funds and capital projects funds are restricted, committed, or assigned. These restricted, committed, and assigned amounts in the special revenue, and capital projects funds would be including the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Note 11 – COVID-19

In 2022 the Library did not receive COVID-19 funding.
